

Contents

Section 1: General Surgery

Chapter 1: Basic Principles of Surgery 1

- ❖ Basic Concepts in Homeostasis 1
- ❖ Metabolic Response to Injury 2
- ❖ Metabolic Changes After Trauma 3
- ❖ Enhanced Recovery After Surgery 5
- ❖ Tissue Engineering and Regenerative Medicines 5
- ❖ Doctor–Patient Relationship 8
- ❖ Communication and Counselling 8
- ❖ Clinical Research in Surgery 10
- ❖ Biomedical Waste Management (Biohazard Disposal) 10
- ❖ Perioperative Care 11
- ❖ Safe General Surgery 12
- ❖ Antibiotic Therapy in Surgical Patients 13

Chapter 2: Wounds and Wound Healing 15

- ❖ Wounds 15
- ❖ Classification of Wounds 15
 - Different Wound Classifications Refer Online*
- ❖ Wound Healing 19
- ❖ Compartment Syndrome 24
- ❖ Crush Injury 25
- ❖ Crush Syndrome 25
- ❖ Degloving Injuries 26
 - Degloving Injuries—Box Refer Online*
- ❖ Scar 26
- ❖ Keloid: ‘Like a Claw’ 27
- ❖ Hypertrophic Scar 28
- ❖ Problems with Wound Healing 29

Chapter 3: Trauma 30

- ❖ Principles of First Aid 31
- ❖ Mass Casualties (Multi Casualty Incidents) 31
- ❖ Triage 32
- ❖ Concepts in Trauma Management 34
- ❖ Spinal Injury 35
- ❖ Neck Injuries 36
 - Weapon Injuries and War Injuries Refer Online*
- ❖ Bullet Injuries 36
- ❖ Blast Injuries 37
- ❖ Penetrating Injuries 37
- ❖ Soft Tissue Injuries 37
 - Assessment in Trauma and Thromboelastography Refer Online*
- ❖ Polytrauma 38
- ❖ Abdominal Trauma 40
- ❖ Blunt Trauma of Abdomen 42

- ❖ Duodenal Injury 45
- ❖ Small Bowel Injury 45
- ❖ Colonic Injury 46
- ❖ Abdominal Compartment Syndrome 46
- ❖ Seat-Belt Injuries 47
- ❖ Medicolegal Aspects of Wound Healing 47

Chapter 4: Infectious Diseases 49

- ❖ Surgical Infection 49
- ❖ Cellulitis 50
- ❖ Erysipelas 52
- ❖ Lymphangitis 52
- ❖ Abscess 53
- ❖ Metastatic and Pyaemic Abscess 57
- ❖ Bacteraemia 58
- ❖ Septicaemia 58
- ❖ Pyaemia 58
- ❖ Boil (Furuncle) 59
- ❖ Hidradenitis Suppurativa 59
 - Modified Sartorius Scoring System for Hidradenitis Suppurativa (HS) Refer Online*
- ❖ Carbuncle (Word Meaning of Carbuncle is Charcoal) 60
- ❖ Pott’s Puffy Tumour 61
- ❖ Pyogenic Granuloma (Granuloma Pyogenicum) 61
- ❖ Impetigo 62
- ❖ Tetanus 62
- ❖ Gas Gangrene 66
- ❖ Tuberculosis 68
- ❖ Leprosy 69
- ❖ Syphilis (Great Pox) (French Disease) 69
- ❖ Actinomycosis 70
- ❖ Madura Foot (Mycetoma Pedis) 70
- ❖ Rabies (Hydrophobia) 72
 - Rabies in Dogs Refer Online*
- ❖ Nosocomial and Opportunistic Infections 75
 - Necrotising Soft Tissue Infection Refer Online*
- ❖ Necrotising Fasciitis (Wilson, 1952) 75
- ❖ Acute (Tropical) Pyomyositis 77
- ❖ Surgical Site Infection 78
- ❖ HIV Infection and AIDS (Acquired Immunodeficiency Syndrome) 81

Chapter 5: Shock 85

- ❖ Shock 85
- ❖ Stages of Shock 86
- ❖ Effects of Shock 87
 - Anaphylactic Shock Refer Online*
- ❖ Clinical Features of Shock (Hypovolaemic Shock) 89

❖ Assessment, Investigations and Monitoring	90		
❖ Central Venous Pressure	91		
❖ Pulmonary Capillary Wedge Pressure	92		
❖ Systemic Inflammatory Response Syndrome	92		
❖ Multiple Organ Dysfunction Syndrome	93		
❖ Oxygen Therapy	93		
❖ Cardiac Arrest	93		
Chapter 6: Haemorrhage and Blood Transfusion	96		
❖ Haemorrhage	96		
❖ Blood Transfusion	100		
❖ Massive Blood Transfusion	103		
❖ Artificial Blood	103		
❖ Tourniquets	104		
❖ Disseminated Intravascular Coagulation	104		
❖ Mechanism of Blood Coagulation (Haemostasis)	105		
Chapter 7: Electrolyte and Nutrition	107		
❖ Normal Physiology	107		
❖ Water Loss (Volume Loss)	107		
❖ Water Excess (ECF Volume Excess)	108		
❖ Hyponatraemia	108		
❖ Hypernatraemia	109		
❖ Hypermagnesaemia	112		
❖ Hypomagnesaemia	112		
❖ Acid-Base Balance	112		
❖ Metabolic Alkalosis	113		
❖ Respiratory Alkalosis	113		
❖ Metabolic Acidosis	113		
❖ Respiratory Acidosis	114		
❖ Anion Gap	114		
❖ Fluid Therapy	114		
❖ Nutrition	118		
❖ Gastrostomy	119		
❖ Jejunostomy	120		
❖ Total Parenteral Nutrition	121		
❖ Refeeding Syndrome	122		
❖ Obesity and Morbid Obesity	122		
Chapter 8: Burns	127		
❖ Burns	127		
❖ Management of Burns	132		
❖ Eschar	134		
❖ Contracture in Burn Wound	135		
❖ Electrical Burns	137		
❖ Inhalation Injury	138		
❖ Chemical Burns	138		
Chapter 9: Ulcer	140		
❖ Ulcer	140		
❖ Granulation Tissue	144		
❖ Investigations for an Ulcer	145		
❖ Management of an Ulcer	145		
❖ Traumatic Ulcer	148		
❖ Trophic Ulcer (Pressure Sore/Decubitus Ulcer)	148		
❖ Martorell's Ulcer (1945)	149		
❖ Arterial/Ischaemic Ulcer	149		
❖ Carcinomatous Ulcer (Epithelioma, Squamous Cell Carcinoma)	150		
❖ Rodent Ulcer	150		
❖ Melanotic Ulcer	150		
❖ Diabetic Ulcer and Diabetic Foot	151		
❖ Meleney's Ulcer (1924, Postoperative Progressive Bacterial Synergistic Gangrene)	154		
❖ Lupus Vulgaris ('Lupus'—Wolf)	154		
❖ Tuberculous Ulcer	155		
❖ Tropical Ulcer	155		
❖ Venous Ulcer (Gravitational Ulcer)	155		
<i>Syphilitic Ulcer</i>			<i>Refer Online</i>
Chapter 10: Sinus and Fistula	157		
❖ Sinus	157		
❖ Fistula	157		
❖ Median Mental Sinus	160		
❖ Sequestrum	160		
❖ Preauricular Sinus	161		
Chapter 11: Swellings	163		
❖ Lipoma	163		
❖ Cysts	166		
❖ Dermoids	167		
❖ Sebaceous Cyst (Wen)	171		
❖ Neuroma	173		
❖ Fibroma	174		
❖ Neurofibroma	174		
❖ Neurilemmoma (Schwannoma)	176		
❖ Ganglion (Ganglion Cyst)	176		
❖ Papilloma	177		
❖ Warts	177		
❖ Glomus Tumour	178		
❖ Bursae	178		
❖ Semimembranosus Bursa	180		
❖ Marrant Baker's Cyst (Popliteal Cyst)	181		
❖ Lymphangioma	181		
❖ Lymph Cyst (Lymphatic Cyst)	182		
❖ Calcinosis Cutis	182		
❖ Chordoma	183		
❖ Epignathus	183		
Chapter 12: Hand and Foot	184		
❖ Hand	184		
❖ Hand Infections	185		
❖ Acute Paronychia	187		
❖ Apical Subungual Infection	188		
❖ Terminal Pulp Space Infection (Felon)	188		
❖ Infection of Web Spaces	189		
❖ Deep Palmar Space Infection	190		
❖ Space of Parona Infection	191		
❖ Acute Suppurative Tenosynovitis	191		
❖ Compound Palmar Ganglion	192		
❖ Hand Injuries	193		
❖ Dupuytren's Contracture	194		
❖ Volkmann's Ischaemic Contracture	195		
❖ Syndactyly	196		
❖ Foot	196		
❖ Callosity	196		
❖ Corn	197		
❖ Plantar Fasciitis (Policeman's Heel)	197		
❖ Ingrowing Toe Nail (Onychocryptosis)	197		
❖ Athlete's Foot	198		
❖ Hallux Valgus	198		

- Chapter 13: Arterial Diseases** **200**
- ❖ Surgical Anatomy of Thoracic Outlet 200
 - ❖ Arteries of Upper Limb 200
 - ❖ Arteries of Lower Limb 201
 - ❖ Arterial Diseases 201
 - ❖ Intermittent Claudication 201
 - ❖ Rest Pain 202
 - ❖ Limb Ischaemia 202
 - ❖ Different Levels of Arterial Obstruction 204
 - ❖ Other Features of Poor Circulation 205
 - ❖ Investigations for Arterial Diseases 206
 - ❖ Diseases of the Arteries 208
 - ❖ Atherosclerosis 209
 - Trans-Atlantic Inter-Society Consensus Classification* *Refer Online*
 - ❖ Thromboangiitis Obliterans (Syn. Buerger's Disease) 211
 - ❖ Raynaud's Phenomenon 215
 - ❖ Treatment of Arterial Diseases 217
 - ❖ Subclavian Steal Syndrome 222
 - ❖ Acute Arterial Occlusion 223
 - ❖ Traumatic Acute Arterial Occlusion 223
 - ❖ Embolism 224
 - ❖ Reperfusion Injury 226
 - ❖ Saddle Embolus 226
 - ❖ Embolectomy 226
 - ❖ Fat Embolism (Ernst Von Bergmann in 1873) 227
 - ❖ Air/Gas Embolism 228
 - ❖ Therapeutic Embolisation 228
 - ❖ Caisson's Disease or Decompression Disease (Bend's Disease) 228
 - ❖ Aneurysm 229
 - ❖ Mycotic Aneurysm (Infective Aneurysm) (3%) 231
 - ❖ Abdominal Aneurysm 232
 - ❖ Abdominal Aortic Aneurysm 232
 - ❖ Peripheral Aneurysm 236
 - ❖ Carotid Artery Aneurysm (Extracranial) 237
 - ❖ Dissecting Aneurysm 237
 - ❖ Takayasu's Pulseless Arteritis (Mikito Takayasu, 1938—Ophthalmologist, Japan) 238
 - ❖ Polyarteritis Nodosa 238
 - ❖ Scleroderma/Systemic Sclerosis 239
 - ❖ Gangrene 239
 - ❖ Diabetic Foot and Diabetic Gangrene 240
 - ❖ Endovascular Surgeries 242
 - ❖ Upper Limb Ischaemia 242
 - ❖ Arterial Substitutes 244
- Chapter 14: Vascular Lesions** **246**
- ❖ Vascular Anomalies 246
 - ❖ Haemangioma 247
 - ❖ Vascular Malformations 250
 - ❖ Cirroid Aneurysm 250
 - ❖ Arteriovenous Fistula 251
- Chapter 15: Venous Diseases** **255**
- ❖ Anatomy of Veins of Lower Limb 255
 - ❖ Physiology of Venous Blood Flow in Lower Limb 257
 - ❖ Deep Vein Thrombosis 257
 - ❖ Varicose Veins 261
 - ❖ Venous Ulcer (Gravitational Ulcer) 274
 - ❖ Compression Therapy for Varicose Veins 276
 - ❖ Thrombophlebitis 277
 - ❖ Klippel-Trenaunay Syndrome 277
 - ❖ Anticoagulants 277
 - ❖ Oral Anticoagulants 278
 - ❖ Pelvic Congestion Syndrome 279
 - ❖ Pulmonary Embolism 279
- Chapter 16: Lymphatics** **281**
- ❖ Surgical Anatomy 281
 - ❖ Lymphangiography 283
 - ❖ Acute Lymphangitis and Lymphadenitis 283
 - ❖ Lymphoedema 284
 - ❖ Lymphomas 291
 - ❖ Mantle Cell Lymphoma 297
 - ❖ Malt Lymphoma (Maltoma) 298
 - ❖ Burkitt's Lymphoma (Malignant Lymphoma of Africa) 298
 - ❖ Cutaneous T Cell Lymphoma 299
 - Chylous Ascites* *Refer Online*
 - Chyothorax* *Refer Online*
 - Chyluria* *Refer Online*
 - Sarcoidosis (with Figure)* *Refer Online*
- Chapter 17: Peripheral Nerves** **301**
- ❖ Peripheral Nerve Injuries 301
 - ❖ Tinel's Sign 303
 - ❖ Brachial Plexus Injuries 303
 - ❖ Causalgia 303
 - ❖ Median Nerve Injury 304
 - ❖ Carpal Tunnel Syndrome 304
 - ❖ Ulnar Nerve Injury 306
 - ❖ Claw Hand 306
 - ❖ Radial Nerve Injury 307
 - ❖ Common Peroneal Nerve Injury 308
 - ❖ Foot Drop 308
 - ❖ Medial Popliteal Nerve Injury 308
 - ❖ Axillary Nerve Injury 309
 - ❖ Long Thoracic Nerve Injury (Nerve of Bell) 309
 - ❖ Meralgia Paraesthetica 309
- Chapter 18: Neoplasm** **310**
- ❖ Definition 310
 - ❖ Dysplasia 311
 - ❖ Carcinoma in Situ 311
 - ❖ Cancer Initiation, Promotion Oncogenes and Oncogene Activation 311
 - ❖ Aetiologic Factors 312
 - ❖ Spread of Malignant Tumours 312
 - ❖ Grading of Tumour 313
 - ❖ Staging of the Tumour 314
 - ❖ Paraneoplastic Syndromes 315
 - ❖ Investigations for Neoplasm 315
 - ❖ Management Strategy for Cancers 320
 - ❖ Oncological Emergencies 321
 - ❖ Cancer Prevention, Screening, Vaccination and Cancer Registry 323
 - ❖ Early Detection of Cancer 324

Chapter 19: Skin Tumours	326	
❖ Anatomy	326	
❖ Classification of Skin Tumours	327	
❖ Skin Appendageal/Adnexal Tumours	328	
❖ Dermatofibroma (Sclerosing Angioma or Subepithelial Benign Nodular Fibrosis)	329	
❖ Dermatofibrosarcoma Protuberans	329	
❖ Keratoacanthoma (Molluscum Sebaceum)	330	
❖ Rhinophyma (Potato Nose) (Bottle Nose)	330	
❖ Seborrhoeic Keratosis (Seborrhoeic Wart, Basal Cell Papilloma)	331	
❖ Squamous Cell Carcinoma (Epithelioma)	332	
❖ Basal Cell Carcinoma (Rodent Ulcer)	335	
❖ Turban Tumour	337	
❖ Naevi (Moles)	337	
❖ Melanoma	339	
Chapter 20: Soft Tissue Tumours and Sarcomas	349	
❖ Sarcoma	349	
<i>Classification of Soft Tissue Tumours</i>		<i>Refer Online</i>
❖ Liposarcoma	358	
❖ Fibrosarcoma (11%)	358	
❖ Undifferentiated Pleomorphic Sarcoma (UPS/Older MFH)	358	
❖ Leiomyosarcoma	359	
❖ Rhabdomyosarcoma	359	
❖ Chondrosarcoma	359	
❖ Malignant Vascular Tumours	359	
❖ Synovial Sarcoma (7%)	360	
❖ Malignant Peripheral Nerve Sheath Tumour (5–10%)	360	
❖ Kaposi's Sarcoma	360	
Chapter 21: Amputations	362	
❖ Amputation	362	
❖ Complications of Amputations	369	
❖ Prosthesis	370	
❖ Surgical Offload	371	
Chapter 22: Reconstruction	372	
❖ Reconstruction/Reconstructive Surgery	372	
❖ Graft	372	
❖ Skin Grafts	372	
❖ Flaps	376	
<i>Other Classification of Flaps</i>		<i>Refer Online</i>
❖ Abdominoplasty	382	
❖ Tendon	382	
❖ Tendon Repair	383	
❖ Tendon Transfer	383	
❖ Tendon Graft	383	
<i>Microvascular Surgery</i>		<i>Refer Online</i>
Chapter 23: Transplantation	385	
❖ Preoperative Evaluation	385	
❖ Organ Procurement	386	
❖ Graft Rejection (Transplant Rejection)	387	
❖ Immunosuppressive Agents	387	
❖ Renal Transplantation	388	
❖ Liver Transplantation	390	
❖ Bone Marrow Transplantation	391	
❖ Pancreatic Transplantation	391	
❖ Small Bowel Transplantation	392	
❖ Dialysis	392	
❖ Cimino Fistula (Cimino-Brescia)	393	
❖ Legal and Ethical Issues in Relation to Organ Transplantation	393	
Chapter 24: Pain	394	
❖ Gate Control Theory	394	
Chapter 25: Faciomaxillary Diseases	398	
❖ Diseases of the Palate	398	
❖ Orthopantomogram	398	
❖ Cleft Lip and Cleft Palate	398	
❖ Maxillofacial Injuries	402	
❖ Primary Care (Early Care) in Maxillofacial Injuries	403	
❖ Fracture Middle Third Area	404	
❖ Zygomatic Complex Fracture	405	
❖ Fracture of the Mandible	406	
❖ Dislocation of the Mandible	408	
❖ Jaw Tumours	409	
❖ Epulis (Greek—Means Upon Gum)	410	
❖ Ameloblastoma (Adamantinoma, Eve's Disease, Multilocular Cystic Disease of the Jaw)	411	
❖ Dentigerous Cyst (Follicular Odontome)	412	
❖ Dental Cyst (Radicular Cyst, Periapical Cyst)	412	
❖ Osteomyelitis of Jaw	412	
❖ Alveolar Abscess (Dental Abscess)	413	
❖ Fibrous Dysplasia of Bone/Jaw	414	
❖ Cherubism (Cherub—Angelic Being)	415	
Chapter 26: Oral Cavity	416	
❖ Ranula	416	
❖ Sublingual Dermoids	417	
❖ Stomatitis	417	
❖ Cancrum Oris (Noma)	418	
❖ Syphilitic Lesions of Oral Cavity	418	
❖ Leukoplakia	419	
❖ Erythroplakia	420	
❖ Oral Submucosal Fibrosis	420	
❖ Oral and Upper Aerodigestive Cancers	422	
❖ Cheek	423	
❖ Carcinoma Cheek/Buccal Mucosa	424	
❖ Newer Concepts	435	
❖ Lip	436	
❖ Neoplasm of Lip	437	
❖ Carcinoma Lip	437	
❖ Tongue	440	
❖ Tongue Ulcers	441	
❖ Benign Tumours of Tongue	442	
❖ Tongue Fissure	443	
❖ Glossitis	444	
❖ Tongue Tie	444	
❖ Carcinoma Tongue	444	
❖ Carcinoma of Posterior One-third/Base of the Tongue	447	
❖ Nasopharyngeal Carcinoma	448	
❖ Maxillary Tumours	449	
❖ Malignant Tumours of Tonsil	451	
❖ Carcinoma Hard Palate	451	
❖ Laryngeal Tumours	452	
❖ Malignant Tumours of Larynx	452	
❖ Trismus	454	

- Chapter 27: Neck 456**
- ❖ Anatomy of Lymphatics of Head and Neck 456
 - ❖ Thoracic Outlet Syndrome 457
 - ❖ Cervical Rib 458
 - ❖ Branchial Cyst 461
 - ❖ Branchial Fistula 462
 - ❖ Pharyngeal Pouch (Zenker's) 463
 - ❖ Laryngocele 464
 - ❖ Cystic Hygroma (Cavernous Lymphangioma) 466
 - ❖ Ludwig's Angina 467
 - ❖ Parapharyngeal Abscess 468
 - ❖ Retropharyngeal Abscess 468
 - ❖ Subhyoid Bursitis (Retrohyoid Bursa/Boyer's Bursa) 469
 - ❖ Carotid Body Tumour (Potato Tumour, Chemodectoma, Nonchromaffin Paraganglioma) 470
 - ❖ Torticollis (Wry Neck) 472
 - ❖ Sternomastoid Tumour 472
 - ❖ Tuberculous Lymphadenitis 474
 - ❖ Cold Abscess 476
 - ❖ Secondaries in Neck Lymph Nodes 477
 - ❖ Chemotherapy for Head and Neck Cancers 486
- Chapter 28: Salivary Glands 488**
- ❖ Anatomy 488
 - ❖ Saliva 491
 - ❖ Sialography 491
 - ❖ Salivary Calculus and Sialadenitis 492
 - ❖ Parotid Abscess (Suppurative Parotitis) 494
 - ❖ Parotid Fistula 495
 - ❖ Recurrent Childhood Parotitis 496
 - ❖ Sjögren's Syndrome 496
 - ❖ Sialosis 496
 - ❖ Sialectasis 496
 - ❖ Salivary Neoplasms 497
 - ❖ Pleomorphic Adenoma (Mixed Salivary Tumour) 498
 - ❖ Adenolymphoma (Warthin's Tumour, Papillary Cystadenoma Lymphomatosum) 500
 - ❖ Oncocytoma (Oxyphil Adenoma) 501
 - ❖ Basal Cell Adenoma 501
 - ❖ Mucoepidermoid Tumour 501
 - ❖ Adenoid Cystic Carcinoma (10% of Salivary Tumours) 502
 - ❖ Acinic Cell Tumour 502
 - ❖ Malignant Mixed Tumour 502
 - ❖ Adenocarcinoma of Salivary Glands 502
 - ❖ Squamous Cell Carcinoma of Salivary Glands 502
 - ❖ Submandibular Salivary Gland Tumours 503
 - ❖ Management of Malignant Salivary Tumours 504
 - ❖ Minor Salivary Gland Tumours 506
 - ❖ Parotid Lymphoma 506
 - ❖ Parotidectomy 507
 - ❖ Frey's Syndrome (Auriculotemporal Syndrome, Gustatory Sweating); (Lucie Frey—Polish Surgeon—1932) 509
 - ❖ Facial Nerve Injury (Lower Motor Nerve Lesion, Surgically Related) 509
- Chapter 29: Thyroid 512**
- ❖ Development 512
 - ❖ Surgical Anatomy (Thyroid Means—in Greek "Shield") 512
 - ❖ Physiology 514
 - ❖ Congenital Anomalies 515
 - ❖ Thyroid Function Tests 518
 - ❖ Fnac of Thyroid 519
 - ❖ Classification of Goitre 519
 - ❖ Diffuse Hyperplastic Goitre 520
 - ❖ Multinodular Goitre 520
 - ❖ Discrete Thyroid Nodule 523
 - ❖ Solitary Thyroid Nodule 523
 - ❖ Retrosternal Goitre 527
 - ❖ Thyrotoxicosis and Hyperthyroidism 529
 - ❖ Radioactive Iodine 537
 - ❖ Thyroid Neoplasms 538
 - ❖ Papillary Thyroid Carcinoma 539
 - ❖ Follicular Carcinoma of Thyroid 541
 - ❖ Differentiated Thyroid Carcinoma 544
 - ❖ Anaplastic Carcinoma of Thyroid 546
 - ❖ Medullary Carcinoma of Thyroid 548
 - ❖ Malignant Lymphoma 550
 - ❖ Hashimoto's Thyroiditis (Struma Lymphomatosa) 550
 - ❖ De-Quervain's Subacute Granulomatous Thyroiditis 550
 - ❖ Riedel's Thyroiditis ('Woody Thyroiditis', 'Ligneous Thyroiditis') 550
 - ❖ Thyroid Incidentaloma 551
 - ❖ Thyroidectomy 551
 - ❖ Emil Theodor Kocher 558
 - ❖ Kocher's Test 558
 - ❖ Hypothyroidism 558
 - ❖ Recurrent Laryngeal Nerve Palsy 559
- Chapter 30: Parathyroids and Adrenals 562**
- ❖ Anatomy 562
 - ❖ Calcium 563
 - ❖ Hyperparathyroidism 563
 - ❖ Parathyroidectomy 566
 - ❖ MEN Syndrome (MEA Syndrome) 569
 - ❖ Apudomas 569
 - ❖ Hypoparathyroidism 570
 - ❖ Tetany 571
 - ❖ Adrenals 571
 - ❖ Adrenal Cortical Tumours 571
 - ❖ Adrenocortical Carcinoma 572
 - ❖ Cushing's Syndrome 573
 - ❖ Conn's Syndrome (Jerome Conn, 1954) 573
 - ❖ Virilising Syndrome or Adrenogenital Syndrome 574
 - ❖ Neuroblastoma 574
 - ❖ Pheochromocytoma 575
- Chapter 31: Breast 579**
- ❖ Anatomy 579
 - ❖ Mammography 582
 - ❖ Aberration of Normal Development and Involution of the Breast 583
 - ❖ Fibroadenoma 583
 - ❖ Fibrocystadenosis (Fibrocystic Disease of the Breast/ Mammary Dysplasia/Cyclical Mastalgia with Nodularity) 585
 - ❖ Sclerosing Adenosis 587
 - ❖ Phyllodes Tumour (Cystosarcoma Phyllodes/Serocystic Disease of Brodie) 587
 - ❖ Mastalgia ("Pain in the Breast") 589
 - ❖ Traumatic Fat Necrosis 590

- ❖ Galactocele 590
- ❖ Mastitis 591
- ❖ Antibioma 593
- ❖ Periductal Mastitis and Duct Ectasia 593
- ❖ Mondor's Disease (Henri Mondor—Paris, 1939) 593
- ❖ Tuberculosis of the Breast 594
- ❖ Breast Cysts 594
- ❖ Galactorrhoea 595
- ❖ Gynaecomastia (Greek—Women Breast) 596
- ❖ Duct Papilloma 597
- ❖ Carcinoma Breast 598
- ❖ Tnm Staging of Carcinoma Breast 609
- ❖ Management of Early Carcinoma Breast 626
- ❖ Advanced Carcinoma Breast 627
- ❖ Prognostic Factors in Carcinoma Breast 629
- ❖ Prophylactic Mastectomy 630
- ❖ Carcinoma of Male Breast 630
- ❖ Breast Reconstruction 631
- ❖ Breast Implants 634
- ❖ Nipple Retraction 634

Section 2: Gastrointestinal Surgery

Chapter 32: Peritoneum 637

- ❖ Anatomy 637
- ❖ Physiology 638
- ❖ Acute Peritonitis 638
- ❖ Treatment 639
- ❖ Spontaneous Bacterial Peritonitis 645
- ❖ Sclerosing Peritonitis 645
- ❖ Biliary Peritonitis 645
- ❖ Postoperative Peritonitis 646
- ❖ Other Forms of Peritonitis 646
- ❖ Pelvic Abscess 647
- ❖ Subphrenic Spaces and Subphrenic Abscess 647
- ❖ Mesenteric Cysts 650
- ❖ Mesenteric Panniculitis 651
- ❖ Acute Mesenteric Lymphadenitis 651
- ❖ Mesenteric Malignancy 651
- ❖ Mesenteric Trauma 652
- ❖ Peritoneal Malignancy 652
- ❖ Omental Cyst 654
- ❖ Omental Torsion 654
- ❖ Omental Tumour 654

Chapter 33: Abdominal Tuberculosis 656

- ❖ Abdominal Tuberculosis 656
- ❖ Ileocaecal Tuberculosis 657
- ❖ Ileal Tuberculosis 661
- ❖ Peritoneal Tuberculosis 662
- ❖ Tuberculous Mesenteric Lymphadenitis 665
- ❖ Ano-recto-sigmoidal Tuberculosis 666
- ❖ Tuberculosis of the Omentum 666

Chapter 34: Liver 668

- ❖ Surgical Anatomy of Liver 668
- ❖ Liver Function Tests 669
- ❖ Alpha Fetoprotein 670
- ❖ Liver Biopsy 670

- ❖ Liver Injury 670
- ❖ Infections of Liver 673
- ❖ Liver Tumours Benign Tumours of the Liver 684
- ❖ Liver Cysts 692
- ❖ Portal Hypertension 693
- ❖ Oesophageal Varices 697
- ❖ Emergency Management in Severe Haemorrhage 699
- ❖ Ascites 704
- ❖ Ascites in Portal Hypertension 706
- ❖ Budd-Chiari's Syndrome 706
- ❖ Hepatic Failure 707
- ❖ Hepatic Encephalopathy 707
- ❖ Hepatorenal Syndrome 708
- ❖ Hepatic Resection 708
- ❖ Portal Biliopathy 710

Chapter 35: Gallbladder 711

- ❖ Surgical Anatomy 711
- ❖ Oral Cholecystogram (OCG; Graham-Cole Test) 713
- ❖ Intravenous Cholangiogram 713
- ❖ Endoscopic Retrograde Cholangiopancreatography 713
- ❖ Percutaneous Transhepatic Cholangiography 714
- ❖ Magnetic Resonance Cholangiopancreatography 715
- ❖ Radioisotope Scan Study 715
- ❖ Peroperative Cholangiogram 715
- ❖ Postoperative T-tube Cholangiogram 715
- ❖ Congenital Anomalies of Gallbladder 715
- ❖ Choledochal Cysts 716
- ❖ Caroli's Disease 718
- ❖ Biliary Atresia 718
- ❖ Gallstones 720
- ❖ Acute Cholecystitis 724
- ❖ Acute Acalculous Cholecystitis (20%) 726
- ❖ Mirizzi Syndrome (Pablo Luis Mirizzi, Surgeon, Argentina, 1948) 727
- ❖ Empyema Gallbladder 727
- ❖ Mucocele of the Gallbladder (Hydrops Gallbladder) 728
- ❖ Chronic Cholecystitis 728
- ❖ Murphy's Sign 729
- ❖ Gallstone Ileus (0.4%) 730
- ❖ Cholecystoses 731

 - ❖ Pancreatic Fistulae 804
 - ❖ Pancreatic Necrosis 804
 - ❖ Pancreatic Trauma 805
 - ❖ Cystic Lesions of Pancreas 806
 - ❖ Pancreatic Exocrine Insufficiency (Exocrine Pancreatic Disease) 806
- Chapter 38: Retroperitoneal Space 808**
- ❖ Anatomy of Retroperitoneum 808
 - ❖ Retroperitoneal Fibrosis 809
 - ❖ Retroperitoneal Swellings 809
 - ❖ Retroperitoneal Tumours 810
 - ❖ Psoas Abscess (Retroperitoneal Abscess) 813
 - ❖ Retroperitoneal Haematoma 814
- Chapter 39: Differential Diagnosis of Mass Abdomen 816**
- ❖ Mass in the Right Hypochondrium 818
 - ❖ Mass in the Epigastrium 820
 - ❖ Mass in the Left Hypochondrium 821
 - ❖ Mass in the Lumbar Region 821
 - ❖ Mass in the Umbilical Region 823
 - ❖ Mass in the Right Iliac Fossa 823
 - ❖ Mass in the Left Iliac Fossa 823
 - ❖ Mass in the Hypogastrium 823
 - ❖ Digital Rectal Examination for Prostate and Other Conditions 825
- Chapter 40: Abdominal Wall and Umbilicus 829**
- ❖ Diseases of the Umbilicus 829
 - ❖ Omphalitis 829
 - ❖ Umbilical Granuloma 830
 - ❖ Anomalies of Vitellointestinal Duct 830
 - ❖ Umbilical Sinus 831
 - ❖ Umbilical Adenoma (Raspberry Tumour) 831
 - ❖ Umbilical Fistula 832
 - ❖ Patent Urachus 832
 - ❖ Burst Abdomen (Abdominal Wound Dehiscence) (Acute Wound Failure) 832
 - ❖ Abdominal Wall Tumours 834
 - ❖ Desmoid Tumour 835
 - ❖ Exomphalos (Omphalocele) 836
 - ❖ Gastroschisis (Belly Cleft) 837
 - ❖ Rectus Sheath Haematoma 838
 - ❖ Abdominal Wall Abscess 838
 - ❖ Meleney's Progressive Synergistic Bacterial Gangrene of Abdominal Wall 838
 - ❖ Divarication of Recti (Diastasis Recti) 839
- Chapter 41. Hernia 840**
- ❖ Aetiology 841
 - ❖ Parts of Hernia 842
 - ❖ Classification of Hernia 843
 - ❖ Inguinal Hernia 844
 - ❖ Strangulated Hernia 861
 - ❖ Sliding Groin/Inguinal Hernia (Hernia-en-Glissade) 864
 - ❖ Pantaloon Hernia (Double Hernia, Saddle Hernia, Romberg Hernia) 864
 - ❖ Femoral Hernia 865
 - ❖ Ventral Hernia 867
 - ❖ Incisional Hernia 868
 - ❖ Umbilical Hernia 872
 - ❖ Paraumbilical Hernia (Supra- and Infraumbilical Hernia) 873
 - ❖ Epigastric Hernia (Fatty Hernia of Linea Alba) 874
 - ❖ Spigelian Hernia 875
 - ❖ Obturator Hernia 875
 - ❖ Richter's Hernia 876

- ❖ Lumbar Hernia 876
- ❖ Sciatic Hernia 877
- ❖ Complications of Hernia Surgery 877
- ❖ Perineal Hernia 878
- ❖ Parastomal Hernia 878
- ❖ Biomaterials Used in Hernia Surgery 878

Chapter 42: Oesophagus 880

- ❖ Anatomy 880
- ❖ Lower Oesophageal Sphincter 882
- ❖ Dysphagia 882
- ❖ Contrast Study of Oesophagus 884
- ❖ Oesophagoscopy 884
- ❖ Oesophageal Endosonography 885
- ❖ Third Space Endoscopy 885
- ❖ Gastro-oesophageal Reflux Disease 885
- ❖ Hiatus Hernia 890
- ❖ Rolling Hernia (Paraoesophageal Hernia) 890
- ❖ Reflux Oesophagitis 891
- ❖ Barrett's Oesophagus (Norman Barrett, British, 1950) 892
- ❖ Barrett's Ulcer 892
- ❖ Oesophageal Motility Disorders 892
- ❖ Achalasia Cardia (Cardiospasm) 893
- ❖ Plummer-Vinson Syndrome (Paterson-Kelly Syndrome) 896
- ❖ Corrosive Stricture of Oesophagus 896
- ❖ Schatzki's Rings 898
- ❖ Boerhaave's Syndrome 898
- ❖ Mallory-Weiss Syndrome 899
- ❖ Tracheo-oesophageal Fistula (Oesophageal Atresia) 899
- ❖ Oesophageal Diverticulum 900
- ❖ Oesophageal Carcinoma 900
- ❖ Benign Tumours of the Oesophagus 908
- ❖ Oesophageal Perforation 909

Chapter 43: Stomach 911

- ❖ Anatomy 911
- ❖ Gastric Physiology 913
- ❖ Gastric Function Tests 914
- ❖ Gastrin 915
- ❖ Barium Meal Study 915
- ❖ Gastroscopy 916
- ❖ Congenital (Infantile) Hypertrophic Pyloric Stenosis 918
- ❖ Gastritis 919
- ❖ Acute Peptic Ulcer (Duodenal or Gastric Ulcer) 920
- ❖ Gastric Ulcer 921
- ❖ Duodenal Ulcer 924
- ❖ Pyloric Stenosis Due to Chronic Duodenal Ulcer 926
- ❖ Perforated Peptic Ulcer 928
- ❖ Bleeding Peptic Ulcer 932
- ❖ Haematemesis 935
- ❖ Complications of Gastric Surgery 936
- ❖ Trichobezoar (Rapunzel Syndrome) 940
- ❖ Chronic Duodenal Ileus (Wilkie's Syndrome) 940
- ❖ Dunbar's (MALS) Syndrome (Harjola-Marable Syndrome) 941
- ❖ Acute Gastric Dilatation 941
- ❖ Gastric Volvulus 942
- ❖ Gastric Polyp 942
- ❖ Menetrier's Disease 943

- ❖ Duodenal Diverticula 943
- ❖ Carcinoma Stomach 944
- ❖ Gastric Lymphoma 956
- ❖ Gastric Sarcomas 957
- ❖ Gastrointestinal Stromal Tumours 958
- ❖ Pyloroplasty 959
- ❖ Gastrectomy 959
- ❖ Gastrojejunostomy 960
- ❖ Retrograde Jejunogastric Intussusception 960
- ❖ Vagotomy 960

Chapter 44: Small Intestine 962

- ❖ Anatomy 962
- ❖ Meckel's Diverticulum 963
- ❖ Regional Enteritis (Crohn's Disease) 965
- ❖ Surgical Complications of Typhoid 969
- ❖ Surgical Complications of Roundworm (*Ascaris lumbricoides*) 970
- ❖ Pneumatosis Cystoides Intestinalis 971
- ❖ Mesenteric Vessel Ischaemia 972
- ❖ Necrotising Enterocolitis 974
- ❖ Small Bowel Tumours 975
- ❖ Benign Tumours of Small Bowel 976
- ❖ Malignant Tumours of Small Bowel 977
- ❖ Neuroendocrine Neoplasms/Tumours; NENS/NETS (Carcinoid Tumour) 978
- ❖ Short Bowel Syndrome (Short Gut Syndrome) 981
- ❖ Small Bowel Enema (Enteroclysis) 982
- ❖ Capsule Endoscopy 982
- ❖ Small Bowel Enteroscopy 983
- ❖ Enteric/Gastrointestinal Fistula 983

Chapter 45: Large Intestine 988

- ❖ Anatomy 988
- ❖ Hirschsprung's Disease (Congenital Megacolon) 989
- ❖ Diverticular Disease of the Colon 991
- ❖ Ulcerative Colitis 995
- ❖ Ischaemic Colitis 1000
- ❖ Pseudomembranous Colitis 1000
- ❖ Surgical Complications of Intestinal Amoebiasis 1001
- ❖ Tumours of Colon 1001
- ❖ Carcinoma Colon 1005
- ❖ Angiodysplasia of Colon 1015
- ❖ Ogilvie's Syndrome 1015
- ❖ Colostomy 1016
- ❖ Stoma Care 1017
- ❖ Stoma Appliances 1019
- ❖ Faecal Fistula 1019
- ❖ Preparation of Large Bowel for Surgery 1020
- ❖ Surgical Pouches 1021
- ❖ Barium Enema 1021

Chapter 46: Intestinal Obstruction 1023

- ❖ Intestinal Obstruction: Types 1023
- ❖ Dynamic Obstruction 1024
- ❖ Duodenal Atresia 1030
- ❖ Small Intestine Atresia (Intestinal Atresia) 1031
- ❖ Malrotation 1032
- ❖ Meconium Ileus 1033

- ❖ Intussusception 1035
- ❖ Volvulus 1037
- ❖ Sigmoid Volvulus (Volvulus of Pelvic Colon) 1038
- ❖ Paralytic Ileus (Adynamic Intestinal Obstruction) 1039
- ❖ Adhesions and Bands 1040
- ❖ Internal Hernias 1043

Chapter 47: Appendix 1045

- ❖ Surgical Anatomy 1045
- ❖ Acute Appendicitis 1046
- ❖ Incidental Appendicectomy 1054
- ❖ Appendicular Mass (Periappendicular Phlegmon) 1055
- ❖ Appendicular Abscess 1056
- ❖ Faecal Fistula After Appendicectomy 1056
- ❖ Mucocele of Appendix 1057
- ❖ Neoplasms of the Appendix 1057
- ❖ Laparoscopic Appendicectomy 1058

Chapter 48: Rectum and Anal Canal 1061

- ❖ Surgical Anatomy of Rectum 1061
- ❖ Surgical Anatomy of Anal Canal 1062
- ❖ Per-rectal Examination 1064
- ❖ Proctoscopy (Kelly's) 1064
- ❖ Sigmoidoscopy 1064
- ❖ Colonoscopy 1065
- ❖ Carcinoma Rectum 1065
- ❖ Solitary Ulcer Syndrome 1071
- ❖ Rectal Prolapse 1071
- ❖ Anorectal Malformations 1076
- ❖ Pilonidal Sinus/Disease (Jeep Bottom; Driver's Bottom) 1078
- ❖ Piles/Haemorrhoids 1080
- ❖ Anal Fissure (Fissure-in-Ano) 1088
- ❖ Anorectal Abscess 1090
- ❖ Fistula-in-Ano 1092
- ❖ Anorectal Strictures 1096
- ❖ Condyloma Acuminata 1097
- ❖ Anal Intraepithelial Neoplasia 1097
- ❖ Malignant Tumours of Anal Area 1097
- ❖ Sacrococcygeal Teratoma 1099
- ❖ Anal Incontinence 1099
- ❖ Descending Perineal Syndrome 1100
- ❖ Proctitis 1100
- ❖ Proctalgia Fugax 1100
- ❖ Hidradenitis Suppurativa of Anal Region 1100
- ❖ Pruritus Ani 1101
- ❖ Gastrointestinal Haemorrhage (GI Bleed) 1101

Section 3: Specialities and Other Surgeries

Chapter 49: Urology 1107

A. Kidney 1107

- ❖ Anatomy of Kidney and Ureter 1107
- ❖ Plain X-ray—Kidney, Ureter and Bladder 1108
- ❖ Intravenous Urogram 1109
- ❖ Retrograde Pyelography 1110
- ❖ Renal Angiogram 1110

- ❖ Micturating Cystourethrography 1111
- ❖ Ascending Urethrogram 1111
- ❖ Isotope Renography 1111
- ❖ Cystoscopy 1112
- ❖ Catheters 1113
- ❖ Nephrostomy 1115
- ❖ Suprapubic Cystostomy 1115
- ❖ Haematuria 1116
- ❖ Horseshoe Kidney 1116
- ❖ Cystic Diseases of the Kidney 1117
- ❖ Duplication of Renal Pelvis and Ureter 1118
- ❖ Retrocaval Ureter 1119
- ❖ Ureterocele 1119
- ❖ Injuries to Kidney 1120
- ❖ Renal Tuberculosis 1122
- ❖ Hydronephrosis 1124
- ❖ Pyonephrosis 1127
- ❖ Carbuncle of Kidney (Renal Carbuncle) 1128
- ❖ Perinephric Abscess 1128
- ❖ Renal Calculus 1129
- ❖ Ureteric Calculi 1133
- ❖ Staghorn Calculus 1135
- ❖ Benign Tumours of Kidney 1136
- ❖ Wilms' Tumour (Nephroblastoma) 1136
- ❖ Renal Cell Carcinoma 1137

B. Urinary Bladder 1143

- ❖ Anatomy 1143
- ❖ Ectopia Vesicae (Exstrophy of the Bladder) 1144
- ❖ Urachal Anomalies 1144
- ❖ Vesical Calculus 1144
- ❖ Cystitis 1146
- ❖ Recurrent Cystitis 1146
- ❖ Interstitial Cystitis (Hunner's Ulcer, Elusive Ulcer) 1147
- ❖ Schistosomiasis (Endemic Haematuria, Urinary Bilharziasis) (Swimmer's Itch) 1147
- ❖ Thimble or Systolic Bladder 1148
- ❖ Bladder Tumours 1148
- ❖ Transitional Cell Carcinoma 1148
- ❖ Ureterosigmoidostomy 1151
- ❖ Rupture Bladder (Bladder Injury) 1152
- ❖ Residual Urine 1153
- ❖ Malakoplakia 1153
- ❖ Neurogenic Bladder 1153
- ❖ Vesicoureteric Reflux 1154
- ❖ Bladder Diverticula 1154
- ❖ Urinary Diversion 1155
- ❖ Urinary Fistulas 1156

C. Prostate 1158

- ❖ Anatomy 1158
- ❖ Acid Phosphatase 1158
- ❖ Prostate Specific Antigen 1158
- ❖ Benign Prostatic Hyperplasia 1159
- ❖ Prostatitis 1162
- ❖ Bladder Outlet Obstruction 1163
- ❖ Carcinoma Prostate 1163

D. Urethra 1167

- ❖ Anatomy 1167
- ❖ Urethral Injury 1167
- ❖ Stricture Urethra 1169
- ❖ Hypospadias 1171
- ❖ Epispadias 1172
- ❖ Posterior Urethral Valve 1172
- ❖ Urethral Calculi 1172
- ❖ Urethritis 1173
- ❖ Extravasation of Urine 1173
- ❖ Retention of Urine 1174

E. Penis 1176

- ❖ Phimosis 1177
- ❖ Paraphimosis 1177
- ❖ Circumcision 1178
- ❖ Balanoposthitis 1179
- ❖ Chordee (Cordee) 1179
- ❖ Priapism 1179
- ❖ Peyronie's Disease (Induratio Penis Plastica) 1180
- ❖ Ram's Horn Penis 1180
- ❖ Carcinoma Penis 1180
- ❖ Buschke-Löwenstein Tumour 1185

F. Scrotum 1186

- ❖ Anatomy 1186
- ❖ Fournier's Gangrene 1186
- ❖ Hydrocele 1187
- ❖ Haematocele 1191
- ❖ Pyocele 1192
- ❖ Cyst of Epididymis 1193
- ❖ Spermatocele 1193
- ❖ Varicocele 1193

G. Testis 1196

- ❖ Anatomy 1196
- ❖ Undescended Testis 1197
- ❖ Ectopic Testis 1199
- ❖ Retractable Testis 1199
- ❖ Torsion of the Testis 1200
- ❖ Testicular Tumours 1201
- ❖ Paratesticular Tumours 1207
- ❖ Orchitis 1207
- ❖ Epididymitis 1208

Chapter 50: Neurosurgery**1209**

- ❖ Head Injuries 1209
- ❖ Extradural Haematoma 1214
- ❖ Subdural Haematoma 1215
- ❖ Subarachnoid Haemorrhage 1216
- ❖ Fracture Skull 1217
- ❖ Depressed Skull Fracture 1217
- ❖ CSF Rhinorrhoea 1218
- ❖ Hydrocephalus 1218
- ❖ Intracranial Abscess 1219
- ❖ Intracranial Aneurysms 1220
- ❖ Intracranial Tumours 1220
- ❖ Pituitary Tumours 1223

- ❖ Craniopharyngiomas 1224

*Spinal Dysraphism**Refer Online**Myelocele; Syringomyelocele; Meningocele;**Spina Bifida**Refer Online**Intervertebral Disc Prolapse**Refer Online**Tuberculosis of Spine**Refer Online**Spinal Tumours**Refer Online***Chapter 51: Thorax****1225**

- ❖ Chest Injuries 1225
- ❖ Fracture Ribs 1228
- ❖ Flail Chest and Stove in Chest 1228
- ❖ Pneumothorax 1229
- ❖ Tension Pneumothorax 1229
- ❖ Haemothorax 1230
- ❖ Pleural Tap 1230
- ❖ Bronchoscopy 1231
- ❖ Empyema Thoracis 1231
- ❖ Empyema Necessitans 1232
- ❖ Lung Abscess 1233
- ❖ Intercostal Tube Drainage 1234
- ❖ Shock Lung (Stiff Lung) 1236
- ❖ Pulmonary Embolism 1236
- ❖ Surgical Emphysema 1236
- ❖ Lung Cysts 1237
- ❖ Mediastinal Tumours 1238
- ❖ Thymomas 1239
- ❖ Lung Cancers 1240
- ❖ Pancoast Tumours (Superior Sulcus Tumour) 1240
- ❖ Chest Wall Tumours 1241
- ❖ Pericarditis 1241
- ❖ Pericardial Tap 1242
- ❖ Cardiac (Pericardial) Tamponade 1242
- ❖ Diaphragmatic Hernia 1242
- ❖ Pulmonary Complications During Postoperative Period 1245
- ❖ Surgical Management of Pulmonary Tuberculosis 1245
- ❖ Video-Assisted Thoracoscopic Surgery 1246

*Cardiac Surgery**Refer Online***Chapter 52: Adjuvant Therapy****1248**

- ❖ Radiotherapy 1248
- ❖ Chemotherapy 1250
- ❖ Cell Cycle 1250
- ❖ Antimalignancy Drugs 1252
- ❖ Hormone Therapy in Cancer 1252
- ❖ Immunosuppression 1252
- ❖ Immunotherapy 1253
- ❖ Hybridoma 1253
- ❖ Gene Therapy 1253

Chapter 53: Anaesthesia**1254**

- ❖ Preoperative Assessment 1254
- ❖ General Anaesthesia 1255
- ❖ Regional Anaesthesia 1258
- ❖ Spinal Anaesthesia 1258
- ❖ Epidural Anaesthesia 1259

Chapter 54: Advanced Imaging Methods	1260	
❖ Ultrasound	1260	
❖ Doppler	1262	
❖ CT Scan	1262	
❖ Magnetic Resonance Imaging	1264	
❖ Radionuclide Imaging	1265	
❖ Positron-Emission Tomography Scan	1266	
❖ Narrow Band Imaging	1266	
Chapter 55: Operative Surgery	1267	
A. Sterilisation and Instruments	1267	
Sterilisation	1267	
❖ Different Methods of Disinfection/Sterilisation	1268	
Instruments	1269	
❖ Cheatle's Forceps	1269	
❖ Sponge Holding Forceps (Rampley's)	1269	
❖ Mayo's Towel Clip	1270
